

WOODLANDS SCHOOL

We are a Kindergarten to Grade 8 School with a current enrollment of 140 students in 7 classrooms with 11 teaching staff and 8 support staff.

We want students to learn how to live “The Good Life” by learning academics, being physically active and being kind. Our classroom lessons and school activities are planned to support these goals.

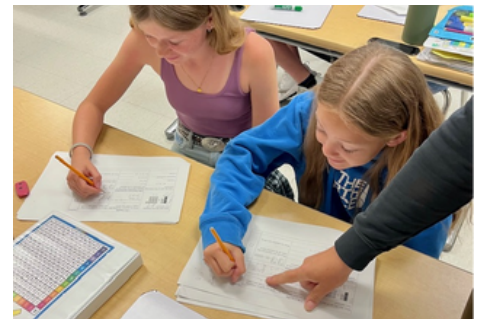

ACCESSIBLE LEARNING

This year, students in k-4 focused on improving the students’ phonological awareness and fluency in reading. This improved reading accessibility for all.

EQUITABLE LEARNING

We want all students to feel welcome and valued in our school. Cultural activities were explored and celebrated. We will continue our quest for equity next year.

RESPONSIVE LEARNING

Grades 5-8 students learned important outcomes in math. These are foundational to other math skills. We will continue being responsive to students’ numeracy needs next year.

RESPECTFUL, RESPONSIBLE AND SAFE

Activities

- Terry Fox Run
- National Day for Truth and Reconciliation
- Whole School Hike
- Halloween activities
- Remembrance Day Service
- Cross country, volleyball, basketball, badminton, track and field
- Christmas Hamper and Spirit Week
